Executive Director

Subject: California Water Plan Update

The Department of Water Resources recently circulated a draft update of the California Water Plan, Bulletin 160-98, with a comment period that ended April 15, 1998. A final version of the update is expected to be published by year's end.

DWR received more than 1000 pages of comments on the draft bulletin. These comments are summarized in the attached overview prepared by DWR. If you would like additional information, we can provide you with a sampling of the comment letters received by DWR, or a complete set of the comments.
